MB Docket No. 03-87
 RM-10686

To: Assistant Chief, Audio Division

COMMENTS OF PEARSALL RADIOWORKS, LTD

Pearsall RadioWorks, Ltd. ("PRW"), licensee of Station KVWG-FM, Channel 237A, Pearsall, Texas, supports the proposal in the *Notice of Proposed Rule Making* ("NPRM"), DA-1013 (released April 4, 2003), which at the request of PRW would change KVWG-FM's city of license from Pearsall to Dilley, Texas, and modify the station's license accordingly. PRW also supports the proposal in the *NPRM* to allocate Channel 227A to Pearsall as a replacement for Channel 237A. In support, PRW affirms and incorporates its November 19, 2002 Petition for Rule Making, which initiated the Pearsall-to-Dilley reallocation, as well as the Channel 227A replacement allocation for Pearsall.

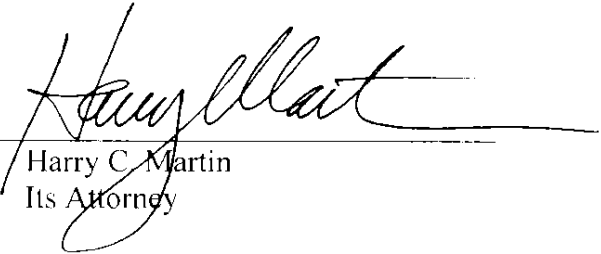

Should the Commission reallocate Channel 237A to Dilley as proposed, PRW will file an application for the new facility and, upon approval, construct KVWG-FM and operate it from Dilley. Should the Commission allot Channel 227A to Pearsall as a replacement for Channel 237A, PRW will file an application for that facility as well, and, upon approval, construct a new station at Pearsall.

No. of Copies rec'd 014
 L&A BODE

WHEREFORE, it is respectfully requested that the Commission (a) reallocate Channel 237A from Pearsall to Dilley, Texas; (b) modify KVWG-FM's license accordingly; and (c) allocate Channel 227A to Pearsall, Texas as a replacement for Channel 237A.

Respectfully submitted,

PEARSALL RADIOWORKS, LTD
